

CARIBBEAN BAY WATERPARK - YONGIN, SOUTH KOREA

Caribbean Bay is not only Korea's first themed waterpark but one of the largest in the world.

Attracting more than 1.4 million visitors annually is it among the busiest waterparks in the world.

Shipwrecks, caves, and temple ruins set the tone for the park's 17th century Latin American and Caribbean theme.

Guests enjoy a variety of amenities including a wave pool, lazy river, family rafting rides, several water coasters, children's play area and a number of pools for swimming and splashing.
