

JURASSIC PARK THE RIDE & JURASSIC PARK RIVER ADVENTURE

- UNIVERSAL STUDIOS, CALIFORNIA & FLORIDA

Jurassic Park River Ride is inspired by the original Jurassic Park movie. Located in the Universal Studios theme parks in California and Florida guests are immersed into the living, breathing, three-dimensional world of Jurassic Park.

25 riders board "free floating" boats and take a journey back in time culminating with an 85 foot drop narrowly escaping the terrifying Tyrannosaurus Rex.
