

PIRATE'S COVE PRIVATE RESIDENCE - BOULDER, NEVADA

Pirate's Cove Residence is an exclusive private vacation residence located on a hillside overlooking Lake Mead and is a one-of-a-kind themed playground.

With its very own pirate ship, roaring waterfalls, grotto caves and waterslide the house has been the shooting location for several TV and media events since completion.

Climb the ship's mast and dive into the pool below or race through the pirate ship on the custom waterslide.
